# The Man Behind The Music

Johnny Rocket a crafted emcee whose roots derived from the Washington, D.C area creates music which transports you on a journey of his ghosts, social consciousness, and everyday moods relatable to everyone. Known for his multiplexity approach to music and creative storytelling, his fans from every aspects of life and the world happily embarks on these journeys with Johnny.

Johnny has performed on the stage with Legendary "Soul Man" Sam Moore performing in front of thousands, opened for Shy Glizzy at the Filmore in Silver Spring, MD as well as several high energy concerts and shows throughout the US. His music video "Survive" has been selected for the Best Shorts Competition in California and the Breakthroughs Competition in Tulane. He is one of the best kept secret in the industry.

**How did it all start?** Since Johnny was young, he could always be seen writing, whether it was raps, occasional poems, or comic books and had become known to wow individuals with his words. Rapping was always a passion of his and his destiny was written in stone when he randomly began freestyling to a rap song on his guitar hero mic experiencing a shock of adrenaline and excitement rushing through his veins becoming the catalyst for his musical career.

**"Washington based hip-hop artist Johnny Rocket, has an unconventional approach to rap music..."** .

Local music artist donates boom box at indoor horse races

By **Chris Mitchell, Contributor** - **Therapy**  
It's a little bit of a surprise that all the boom boxes and speakers that were donated to the charity event were all in the same color. They were all blue. That's not to say they were all the same color, but they were all blue. They were all blue. They were all blue.
